Better AI answers

Your handout

- Task. Situation. Shape of the answer. One limit.
- Example: Help me plan dinner. Two people, 20 minutes, no oven. Three options with ingredients. Plain language.
- Grade 1-5: Did it do the task? Did it respect the limits? Anything to check? Would I use it?
- Privacy rule: made-up examples only.

Your notes

Privacy rule: use made-up examples only. Nothing here is sent, bought or changed for you.

Next step: ask for the free first-prompt guide (date and venue of classes are not set yet).
