Your First Useful Prompt

The idea

- A good request to an AI has three parts: the task, your situation, and the shape you want back.
- Then you check the answer before you use it.

Try it now

Task: Help me write a short thank-you note to a neighbor.

Situation: She watered my plants for two days. I want it warm and brief.

Shape: Two versions, each under 60 words.

Check before you use it

- Is anything in it untrue or invented?
- Does it sound like you?
- Is there anything private in it that should not be?

One rule

Use made-up examples or things the whole world could know. No account numbers, no health records, no passwords.
